PASTORAL
Candidate Weekend
JUNE 3-4

We are please to announce pastoral candidate, Justin Lingenfelter!

Justin just finished his final semester at the Lutheran Theological Seminary at Philadelphia and graduated with his Master of Divinity on May 23rd.

Throughout his time at LTSP, Justin has served in a number of diverse ministry contexts ranging from an inner city Latino congregation to rural farming communities, with suburban flavors in between.

Originally from New Tripoli, PA, Justin and his wife, Kelsey, graduated in 2009 from Northwestern Lehigh High School, the very same place where they met and began dating. While Justin and Kelsey attended separate institutions (Justin at The George Washington University, Kelsey at Kutztown University), they both completed their undergraduate degrees with a major in anthropology. In July of 2015, he and Kelsey got married just two weeks before moving together with their cat, Minx, to Naples, FL, where Justin spent his internship year at Christus Victor Lutheran Church.

The son of a Lutheran pastor and a registered nurse, Justin is the oldest of three children. Since moving back to PA, Kelsey and Justin have enjoyed being able to spend more time with their immediate and extended families in New Tripoli and Bloomsburg. After moving every summer for the past few years, both of them are also looking forward to being able to finally stay in one place for more than one academic year!

They are both looking forward to meeting the congregation and are excited about where the Holy Spirit may be calling them in the weeks and years ahead.

View from the Pew

By Sharon Weiser

Sometimes life can be run of the mill, while other times it can be exciting and full of things to do. At UIC we have been going along at a normal run-of-the-mill pace for about eleven months.

We have an opportunity to kick ourselves into a more exciting time as we experience the chance to "check out" a young man who could be our next pastor. Our church life will most likely change somewhat---change can be positive or negative and it is up to each of us to help make this a positive change. We have been doing pretty well keeping things on an even keel but we know that having someone who will be with us on a regular basis will help us regain what we might have lost. We will hopefully grow our congregation and become stronger. We will have our own spiritual leader. As families open their arms to welcome new additions to their families, hopefully we will have the opportunity to do the same in our United In Christ family.

There are some of us who have had the guidance of 8 pastors (St. John's, New Columbia, and United In Christ) in our lifetime. Let's pray to our Heavenly Father and ask him to guide us as we approach this next phase in the life and working of our congregation. To give this a slight sports twist --**GO UIC!**

YOUTH AND FAMILY

The Youth have been busy raising money for the 2018 ELCA Youth Gathering.

EASTER

Alli Arndt made Easter candy and sold $247 worth on Sundays during Fellowship Hour. Youth and Family once again made breakfast for everyone Easter morning. An offering of $294 was collected during breakfast.

WOODMEN'S BANQUET

Youth and Family served 63 Woodmen of the World Life Insurance fraternity members. Thank you to Jodie, Amy and Emma Danowsky, Kelsey Swanger, Syann Stewart, Michelle and Larisa Shearer, Marianne Murray and Scott Danowsky for all your help. The Banquet raised $830.

PIE IN THE FACE

Leading up to Holy Humor Sunday, the Youth held a Pie in the Face campaign. Each Sunday they put out a collection can for each council member. Voting was simple. Whomever received the most money won and whomever received the least lost.

On Holy Humor Sunday the looser, Elwood Brown, got to throw a Pie in the Face of the winner, Cami Zimmerman! $207 raised.

YOUTH HOAGIE FUNDRAISER

The Youth sold 200 hoagies for $5 each, which were made by Wenger's in Mifflinburg. The Hoagie Fundraiser made a profit of $373.15!

WENDY'S FUNDRAISER

The Wendy's fundraiser was a huge success. On May 2, Wendy's donated 10% of their sales (inside and drive-thru) from 5-8pm to UIC's Youth, $234. Thank you to everyone who came out to support the youth! We also had two full busses of Midd West track and field players. Thank you Midd West!

RICH HUFF AUCTION FOOD STAND

Youth and Family organized the Food Stand this year at the Rich Huff Auction. Jack Stiber donated and cooked pork for pulled pork sandwiches. The Youth put out a signed sheet for all of the food and drinks needed. Thank you to everyone that donated items and volunteered at the Food Stand. We made over $880!

THE STORY

The Story is a condensed, chronological Bible that reads like a novel

What happens on Sunday mornings at 9am?

A few of us meet in the Sunday School Room, which is across from the offices. We meet to talk about people. The other week we talked about David's infidelity! No, I'm not talking about David Baker or David Reed, but about King David. You know, the character in the Bible. He was human, just like us. He sinned, just like us.

We meet with our coffee or tea in hand. Peg makes great coffee. We watch a short video then discuss the person or topic of the day. We have a nice group with lots of great discussions, but our group is small. We would love to see it grow!!

We don't want to hide our light under a basket, but share it with others.

There are no requirements. Come and listen. If you are so inclined, join in the discussion, but you don't have to.

Share **THE STORY** with us. Bring a friend for comfort and security, if you want.

God bless,
Ken Baker

On Friday, June 23, all "SONS" in the congregation are invited to a meal prepared by the women of the congregation. Dinner starts at 6pm. Signup sheets are in the Fellowship Hall. Please signup and write down how many are attending.

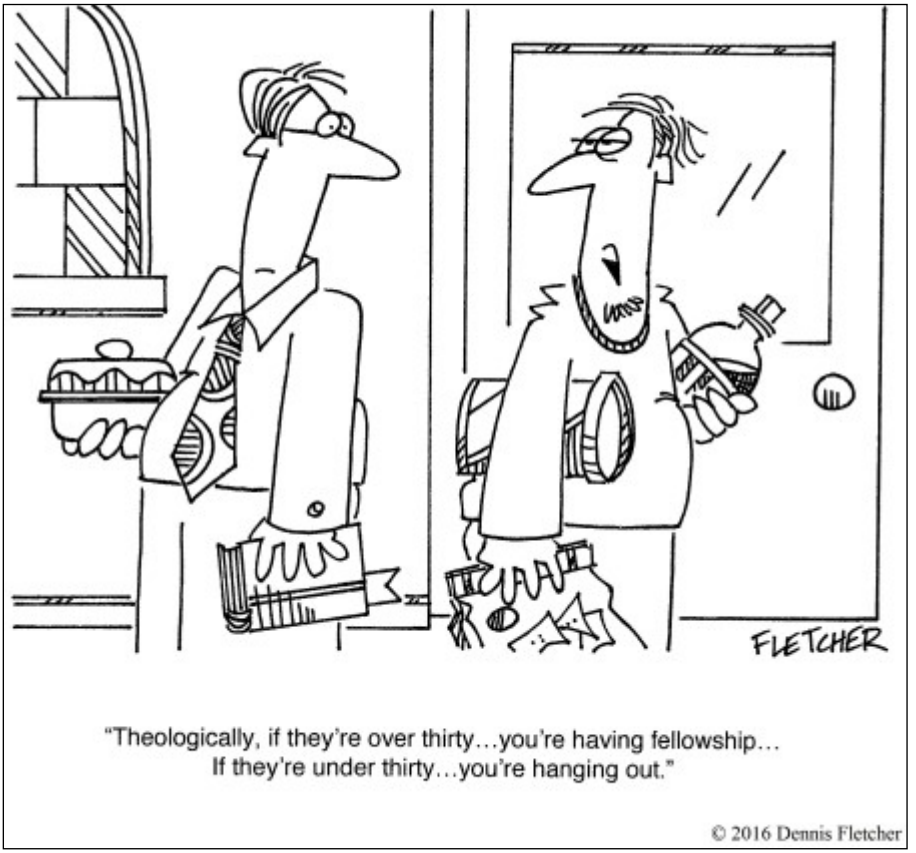
In the months of June, July and August, the office will be closed on Fridays.

New Church Office Hours:
Mon. - Thurs. 9am-2pm.

We are pleased to announce that Marilyn Gresh has decided to become our permanent organist/pianist!

MIFFLINBURG KIWANIS BLUEBERRIES

Glen Van Dyke is taking orders for blueberries. The cost is $31 for a 10lb box. **Orders need to be given to Glen or Florence by June 28!** There are order forms in the Fellowship Hall. Glen can be reached at 570-966-1804 and Florence can be reached at 570-966-2322. Blueberries need to be picked up at Wehr's Beverage (Mifflinburg) on Wednesday, July 5, 10am-1pm.



Daughters Banquet

Ladies, we are all daughters of our heavenly King. Mark Rabuck, with help from the men of the congregation, prepared a delicious feast for approx. 85 daughters. We had salad, roast beef, stuffing, mashed potatoes, green beans and ice cream for dessert.

KJ, a local singer-songwriter, blessed us with song and spiritual messages after dinner.

Lisa Rabuck made favors for each of us in cute polka dot bags sealed with burlap flowers she glued to tiny clothes pins. Inside the bags she put popcorn that she coated with pudding and white chocolate. It was absolutely delicious!

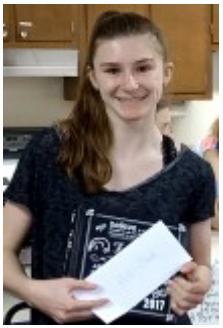
2017 RICH HUFF FUND SCHOLARSHIPS

To further the mission of the Rich Huff Fund to help area children in need, the Rich Huff Committee granted three $500 scholarships to graduating high school seniors who best exemplify Rich Huff's spirit of loving and helping children. One scholarship was awarded to a member of United In Christ and two were awarded to area seniors outside of the congregation.



The first scholarship was awarded to Allison Arndt, a member of United In Christ. Alli has helped numerous times with children at the church. As part of her senior project, she volunteered at the Ronald McDonald House in Danville. Alli has started coaching gymnastics to children ages 4-10. Alli is planning on attending Ithaca College this fall.

The 2nd scholarship was awarded to Erica Keim from Watsontown. Erica has volunteered 250+ hours at Geisinger Hospital. She has cleaned toys and talked to children at Janet Weis Children's Hospital, taught bus safety skills to elementary students and helped them build gingerbread houses. During her junior year, Erica started the 1st annual Kel-

sey's Dream 5K. Kelsey's Dream raises money to help children with cancer. Erica is planning on attended Bloomsburg University this fall.

The 3rd scholarship was awarded to Madison Welliver of Turbotville. Madison organized a children's books drive for "Kids Around the World" organization in Haiti, transformed little girls into princesses at Magical Memories annual Christmas party for children with special needs. She reads to sick kids and has donated stuffed animals to Janet Weis Children's Hospital, mentored kids through basketball programs and camp, while also conducting bible study sessions throughout the week. Madison also sponsors a child through Compassion International. Madison is planning to attend Lycoming College this fall.

Rich Huff Fund made $181.07 for the diaper pantry from the Wendy's fundraiser on May 9th.

HEALTH TID-BITS
From our Parish Nurses

WORKPLACE SAFETY

Many of us might not think about Workplace Safety, but it is important.

Does your workplace do regular fire drills?

If your workplace doesn't do these, speak to someone about starting them. It is important for people to know where to go if there is a fire.

Is someone trained in CPR and First Aid?

If there isn't anyone, suggest they get at least 1 person trained. It could save a life.

If you job requires safety gear, be sure your safety gear is in good shape. Safety in the workplace can help prevent injury and loss of work.

WATER SAFETY

Swimming can be a great way to enjoy the hot summer. But water can be very dangerous to children that can't swim. If they can't swim, be sure they wear a flotation device when in or near water. Make sure they know not to go near water without an adult. If your child doesn't know how to swim take them to swimming lessons. They offer lessons at community pools, the

YMCA and even some Colleges and Universities. Most of these places also offer swimming lessons for older adults. It's never too late to learn!

SPORTS SAFETY

Many of our children play sports. Be sure they have the right equipment and that it is in good condition. Tell them the importance of letting their coach or

yourself know if they are hurt, get hit in the head or are dizzy.

Be sure your child stays well hydrated. And that goes for adults too. Carry a sports bottle and refill it often. Always encourage, support and teach children the importance of enjoying themselves.

STAY SAFE WHILE OUTDOORS

Make sure your child knows about safety during outdoor playtime. At a

playground teach them the correct way to use the equipment and be sure they are using age appropriate equipment. Teach them the importance of staying within your sight. Tell them if they can't see you, they went too far and must come back to where they can see you.

Keep your child safe from discomfort and the risk of skin cancer by using sunscreen to prevent sunburn. Don't forget to reapply, especially if they are in water. Don't forget to put sunscreen under the eyes and nose, the top of their head (if they don't have much hair), on their ears and the top of their feet! These are areas we forget about.

After playing outside be sure to check for ticks! If you find a tick don't panic. There are several tick removal

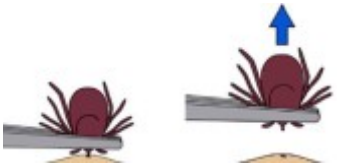
devices on the market, but a plain set of fine-tipped tweezers will remove a tick quite effectively.

HOW TO REMOVE A TICK

Centers for Disease Control and Prevention

Use fine-tipped tweezers to grasp the tick as close to the skin's surface as possible.

Pull upward with steady, even pressure. Don't twist or jerk the tick; this can cause the mouth-parts to break off and remain in the skin. If this happens, remove the mouth-parts with tweezers. If you are unable to remove the mouth easily with clean tweezers, leave it alone and let the skin heal. After removing the tick, thoroughly clean the bite area and your hands with rubbing alcohol, an iodine scrub, or soap and water. Dispose of a live tick by submersing it in alcohol, placing it in a sealed bag/container, wrapping it tightly in tape, or flushing it down the toilet. Never crush a tick with your fingers.



FOOD SAFETY

With warm weather approaching, many of us go on picnics. Don't ruin your day by getting food poisoning. If food needs refrigeration, be sure it is kept on ice. When grilling, cook the meat thoroughly.

Enjoy your summer with family and friends and be safe.

In Christian Love,
Celia Warren and Irene Stark

OAKs Older Adults Kickin' it up! Monthly Senior Center

In May, Terri Cromwell taught us how to easily arrange flowers by using any container and plain old scotch tape. Use tape to make a grid, which keeps your flowers from falling over. Some people brought silk while others brought fresh flowers.
